

How to Add the **MyFish** Application Shortcut To Your Mobile Device Home Screen

First Step: Open your browser and navigate to the <http://www.scdhec.gov/myfish> webpage.

Apple iPhones:

Step 1: Tap the “Add”  button located at the bottom of your screen.

Step 2: A menu should be displayed in the Safari browser window. Select “Add to Home Screen” option.

Step 3: The “Add to Home Screen” should be displayed. This text is editable and can be changed. Type: “MyFish”.

Step 4: Select the “Add” button. Click on your iPhone's “Home” button to return to the Home Screen.

Android Phones:

Step 1: Tap the tools icon  or  on the Android menu bar typically located at the bottom of your screen.

Step 2: A menu toolset should be displayed over the browser window. Select “More” and “Add to Home” option.

Windows Phones:

Step 1: Tap on the three dot menu  icon at the bottom right. In the menu that appears, select “Pin to Start”.

Blackberry Devices:

Step 1: Press the “Add to Home Screen”  key.

Apple iPads:

Step 1: Tap the “Add”  or “Bookmark”  button located at the top of your screen.

Step 2: A dropdown menu should be displayed over your Safari browser window. Select “Add to Home Screen” option.

Step 3: The “Add to Home Screen” should be displayed. This text is editable and can be changed. Type: “MyFish”.

Step 4: Select the “Add” button which will take you to iPad's Home Screen.

Last Step: The MyFish icon will be displayed on your home screen.

**For more information on how to add shortcuts and applications to your Smartphone,
please refer to the Smartphone manufacturer documentation.**
